

Colonial Kids Camp

What was it like to be a kid in 18th century Colonial Virginia and live in an authentic plantation home? To have played games as colonial children did? Come spend five mornings with us and find out!

Wilton House Museum is proud to offer another exciting year of **Colonial Kids Camp!** Come see how you would have dressed, played, and lived in Colonial Virginia! Learn to churn butter, decorate a floor cloth, create your own colonial bedchamber, create watercolor paintings, and how to play and dance like you're living in 18th century Virginia! Take part in an archaeological "dig" at and discover long-buried treasures; make a colonial wig and decorate it in the "latest" fashion; and experience what it was like to be in George Washington's Continental Army!
